

Are We Organic?

We believe in growing organically—for our family and for yours. We used to be certified organic with the WSDA, but we felt it was no longer a good fit for our farm when the USDA Organic program took effect. We don't need government approval, we want yours.

We use no chemicals of any kind on our farm.

**Farm-Fresh
Food
From our Family
to Yours!**

Mystery Boxes

2020 Season

Mystery Boxes

Most crops start producing at a fraction of the amount that they will produce at their peak harvest. We also do a lot of experimenting with potential new crops that we hope to grow in abundance someday. We often have small amounts of various produce and haven't had a good way to utilize those items. Thus the Mystery Box was born!

Mystery Boxes can be purchased individually as they are offered, or purchased as a subscription of 8 boxes. We'll pack the Mystery Boxes once per month, March through December. All boxes will come with a list of contents.

Priced at \$30 each, or subscribe to the whole season of 8 boxes for \$240 and don't miss a single one. *Mystery Box subscribers are also welcome to our members-only U-Pick gardens.*

Prepaid Farmers Market Cards

Prepay for your Whistling Train Farm produce and save 10%! WTF cards don't expire, they're giftable, and reloadable! Use at the West Seattle Farmers Market or toward bulk farm purchases.
